PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on experience in Software Engineering, Python Development, Web Development, Backend Development and Machine Learning. Skilled in Python, JavaScript, SQL, MongoDB, HTML and AWS. Experienced in building scalable applications, retrieval systems, and automation workflows through real-world projects. Passionate about developing production-grade software and solving complex engineering problems.

EDUCATION

Vignan's University- B.Tech (CSE)**; GPA:** 7.20 — March 2023 - August 2027

Sri Chaitanya-Stream: MPC**; Score:** 82% — 2023

Santhan High School- Class-X; **Score:** 99% — 2021

SKILLS SUMMARY

- **Languages**: Python, C, CPP
- **Web Development:** HTML, CSS, JS, React
- **Databases:** SQL, MongoDB
- **Cloud:** AWS, Git, Github
- **Core CS:** Data Structures & Algorithms, Object-Oriented Programming, OS, DBMS, Computer Networks

PROJECTS

Discover Andhra Pradesh – Tourism Web Platform | GitHub | Deploy

- Developed a responsive tourism platform using HTML5, CSS3, and JavaScript, showcasing Andhra Pradesh's districts, cultural heritage, and tourist attractions with an intuitive user interface.
- Implemented destination browsing, ticket booking, and responsive design, focusing on accessibility, UI/UX, and seamless user experience across devices.

Smart Attendance System – Facial Recognition Attendance | GitHub | Deploy

- Developed a facial recognition-based attendance system using Python, Flask, React Native, REST APIs, and Machine Learning to automate classroom attendance.
- Implemented eye-blink detection for anti-spoofing, geolocation-based access control, and secure data handling to improve attendance accuracy and system reliability.

CERTIFICATES

Machine Learning with Python | CERTIFICATE — **January**
NPTEL E-Business | CERTIFICATE — **January-April 2026**
NPTEL Management Information System | CERTIFICATE — **July-October 2025**
Preliminary English Test – B1 Level — **April 2023**
C++ Data Structures in the STL | CERTIFICATE — **March 2026**
Cyber Job Simulation | CERTIFICATE — **July 2025**
Technology Job Simulation | CERTIFICATE — **July 2025**
Data Analytics Job Simulation | CERTIFICATE — **July 2025**
AWS Certified Cloud Practitioner| CERTIFICATE

ACHIEVEMENTS

- Participated in Smart India Hackathon (SIH), collaborating to develop an innovative solution for a real-world problem.
- Presented projects at the Engineering Day Project Expo, showcasing technical and problem-solving skills.
- Contributed innovative ideas at the University Ideathon, focusing on technology-driven solutions.
- Served as Section Coordinator and Content Writer for the UEAC (NSS) team, leading event coordination and content creation.
- Volunteered at MAHOTSAV 2K23 & 2K24, supporting the execution of a national-level technical and cultural fest.
